

## Certificate IV in Cyber Security (C4-BD30) Enrolment Information

### How to Enrol:

- Apply for the Certificate IV in Cyber Security by clicking [here](#) and selecting 'enrol now'. **If you are a continuing student or have already applied, you may skip this step.**
- Use the attached guide to enrol into subjects. Course reference numbers (CRN's) and block codes (grouped CRN's) are available in the provided timetables.
- If you encounter a 'closed section' error when entering a CRN or Blockcode, this means the subject is full.
- You should only enrol in **one session per subject**, if there is a subject clash you may need to reconfigure your timetable or enrol in online delivery.
- **Do not enrol in stage 2 subjects until you have completed stage 1.** (WHS, Copyright & Ethics) can be completed in either stage.
- Once enrolled you can view your student timetable, invoices and unofficial transcript via [CIT Self Service](#). Your login details will be your CIT number / 6 Digit DOB.
- Students can access their course content via our student portal, [eLearn](#) using the same login details.

### Subject Fees:

- Approximate total cost of Tuition Fees: \$2400.00 - all fees are subject to change.
- If you are entitled to a concession you will get 50% off the subject fees. For more information regarding fees please click [here](#).
