

JOBTRAINER

BOOTCAMP

Statement of Attainment — Health Starter [from HLT and CHC]

Overview

This introductory course will provide you with entry level skills in the health and community sector. During this training you will gain a basic understanding of the human body systems, communicating in health and community contexts and working with a variety of people.

You will also participate in practical sessions, demonstrations, and presentations from industry guests in the fields of Physio and Occupational Therapy and other Allied Health Workforce areas.

Subject Information

- HLTAAP001 — Recognise healthy body systems
- CHCCOM005 — Communicate and work in health or community services
- CHCDIV001 — Work with diverse people

Campus

CIT Bruce

Duration

4 weeks, approx. 20 hours per week. Delivery will include practical applications within the CIT health and community simulated environments across a range of different settings including practical experience in CIT Fit and Well.
