

JOBTRAINER

SHORT COURSE

**Statement of Attainment — Health Starter
[from HLT and CHC]**

Overview

This introductory course will provide you with entry level skills in the health and community sector. During this training you will gain a basic understanding of the human body systems, communicating in health and community contexts and working with a variety of people. You will also participate in some practical sessions, demonstrations, and presentations from industry guests in the fields of Physio and Occupational Therapy and other Allied Health Workforce areas.

Subject Information

- HLTAAP001 — Recognise healthy body systems
- CHCCOM005 — Communicate and work in health or community services
- CHCDIV001 — Work with diverse people

Campus

Online/CIT Bruce

Duration

This course is to be completed online and you will be allowed up to 18 weeks to complete the online readings and assessments. You are required to attend CIT to complete practical assessments within the simulated work environment. This practical assessment may take up to eight (8) hours to complete over the duration of the 18 weeks and will be arranged upon enrolment with your teacher.

Course commencement options

- Semester 2, 2022
