Good Afternoon,

RE: FOI REQUEST – CIT STAFF SURVEYS 2016 – 2019

I write to request under the *Freedom of Information Act 2016* a copy of the Canberra Institute of Technology's staff surveys conducted between 2016-2019. I would like my request to also include any analysis of the survey results.

Should you require any further information or clarification about my request, please contact my office on [REDACTED]

Best,
