

# CIT CAFE

## WELCOME TO CIT CAFE

The CIT Cafe is an industry-standard facility that provides a simulated work environment for our hospitality and culinary students. It gives them the opportunity to refine their skills under the guidance of our expert teachers. Every guest gives our students the opportunity to develop the essential industry skills they need to graduate. Thank you in advance for supporting them and for your patience as they take the first steps in their careers.

We hope you enjoy your meal and service.
