Additional Information

All subjects in the **Certificate III** and **Certificate IV** and some **Diploma** and **Advanced Diploma** are available through flexible learning.

What is flexible learning?

- self-paced online study with teacher support in face-to-face/online sessions — as per timetable
- enrol and commence anytime
- attend as many face-to-face/online sessions as you wish or need
- study can be done remotely

Please note: You will need to attend some sessions for supervised assessments as per Tax Practitioner Board (TPB) requirements. Details of requirements can be accessed on the TPB website (<http://www.tpb.gov.au>).

What do you need to do to be successful?

To be successful using this mode of study, you need to be an independent organised learner, who can:

- attend some compulsory sessions
- be able to schedule time to finish course work independently
- complete assessments on time

You are given a maximum timeframe (mostly 9 weeks) to complete course work and assessments per subject; however, you can complete earlier.

How to enrol?

Please speak with a flex teacher **prior** to enrolling in your first subject.
