

Are you an apprentice?

Find out how to receive a reduction on your fees.

Apprentice Fee Concessions

Australian Apprentices with a current Health Care Card, Pensioner Concession Card, Low Income Health Care Card or Veteran's Gold Card are entitled to receive a 50% fee reduction on eligible courses and the service and amenities fees. If you are under 18 and your parents hold one of the above cards, you will also be eligible to receive a 50% fee reduction, if you are listed as a dependent.

To have a concession applied to your student account, you must:

- ▶ Show your current Health Care Card, Pensioner Concession Card, Low Income Health Care Card or Veteran's Gold Card at any CIT Student Services.

AND

- ▶ Request that your concession be applied to your account BEFORE all outstanding fees have been paid.

Australian Apprentices who don't have a current Health Care Card, Pensioner Concession Card, Low Income Health Care Card or Veteran's Gold Card, may still be eligible for a concession, by proving evidence (in the form of payslips) demonstrating you are a low income earner, or apply for financial hardship circumstances. Please enquire at any CIT Student Services.

Concessions do not apply to:

- ▶ Excursion fees, administration fees or CIT Card replacement fee.
