

Message from Kate Lundy, Chair of the CIT Board 19 June 2024

The CIT Board would like to advise that Ms Leanne Cover has resigned as CIT CEO and this has been accepted by the CIT Board. It is not appropriate to comment further on Ms Cover's decision.

The Interim CEO Ms Christine Robertson will continue in her role while the Board initiates the process to recruit a new CEO. This will allow our ambitious program of work to continue and the implementation of the new strategy which is in the final stages of development.

The Board would like to thank Ms Robertson for continuing as Interim CEO during this time. Ms Robertson continues to provide exceptional leadership to the Board, staff, students and stakeholders.

I would like to thank CIT staff for their support while the former CEO has been on paid leave to ensure procedural fairness. The Board recognises that our staff remain our biggest asset and are critical to our success in building the essential skills for the ACT and region. The Board also thanks staff for continuing to focus on our students through this time.

Kate Lundy
Chair, CIT Board
