

UPDATE

CIT response to Novel Coronavirus (COVID-19)

Dear students,

With so much uncertainty surrounding the COVID-19 situation, CIT has made the decision to continue the pause of classes until the scheduled CIT Easter break **(10 April 2020)**.

We will continue to keep you informed of any developments surrounding CIT's response to COVID-19. Updates and further advice will be made available on the [CIT website](#), [Facebook](#) and [Twitter](#).

During these unprecedented times, we want to take this opportunity to encourage you to stay engaged with learning. Wherever possible, CIT's teaching staff are still available and ready to assist you.

At this time a number of facilities and spaces at CIT remain open but we strongly encourage students not to attend campuses. [CIT commercial services](#) are closed until further notice.

Support services are still available for all students, either via phone or online. The CIT Student Support team is here to provide you with guidance, referrals and support to assist you with different aspects of student life. Counselling and support services are free for all students. For information or to make an appointment with [CIT Student Support](#), call **(02) 6207 3290** or email CIT.Student.Support@cit.edu.au.

In addition to this, the [CIT Student Association](#) is available to provide support to all students.

Please contact [CIT Student Services](#) if you need advice about fees or have other general enquiries on **(02) 6207 3188** or email infoline@cit.edu.au.
