

CIT Board Communique – June 2026

This communique provides a summary of matters considered by the CIT Board. It is not a detailed record of minutes and does not include every matter considered.

The CIT Board met on 22 May 2026. The matters considered at this meeting included:

- Chair report
- CEO report
- RTO Standards
- Budget including the Statement of Intent
- Cloud Campus
- Facilities
- A funding agreement
- Audit and Risk Committee report
- Academic Council report

Following the meeting Board members were invited on a tour of the technology at CIT Woden. Following this meeting I have had the opportunity to meet with some of the CIT educators and staff. I am impressed with their skill and dedication to our students.

Tom Rogers
Chair, CIT Board
