

CIT Board Communique – September

This communique provides a summary of matters considered by the CIT Board. It is not a detailed record of minutes and does not include every matter considered.

The CIT Board met on 21 September. At the meeting the Board formally welcomed the new Deputy Chair of the Board, Prof Kylie Walker.

The matters considered at this meeting included:

- Governance and the governance review
- Digital services
- Academic governance
- Update on the CIT Solutions windup.

I would like to recognise the recent achievements at CIT with two CIT student representatives in the International WorldSkills competition in WorldSkills Shanghai 2026, which is the world's biggest international skills competition.

CIT was also recognised in the recent ACT Training Awards where CIT won ACT Large Training provider of the Year and, in partnership with SPARK, won Industry Collaboration Award. Students Mickyia Glover and Chelsea Lee Harris were recognised in the Aboriginal and Torres Strait Islander Student category. With Mickyia named the category winner and Chelsea awarded as runner-up. Finally, CIT Nursing student Caitlin Carter was the ACT VET Student of the Year. This was in addition to CIT students and staff being recognised as finalists in the awards. Congratulations to CIT staff and students on their success.

Tom Rogers
Chair, CIT Board
