Inquiry into Appropriation Bill 2025–2026 and Appropriation (Office of the Legislative Assembly) Bill 2025–2026

Answer to question on notice

Asked by: Ms Fiona Carrick MLA

Addressed to: Minister for Skills, Training and Industrial Relations

Reference: Canberra Institute of Technology

Hearing: 06 August 2025

In relation to: Parking, café and planning

Question received: 14 August 2025

Answer Due: 21 August 2025

CIT

1. **Parking:** What are the plans for parking when the Neptune St carpark is developed by Westfield?
2. **Café:** will there be a reasonably priced café in the Woden CIT?
3. **Community Integration:** What planning has been done to leverage the skills of the creative students at the CIT and provide them with performing opportunities to activate the core of Woden, the West Plaza and the Town Square, to create a destination and a vibe for everyone?
4. **Power:** will the CIT advocate for power in the West Plaza for markets and community events?

MICHAEL PETTERSSON: The answer to the Member's question is as follows:

1. CIT continues to assess the availability of parking in the Woden precinct for staff and students. There are several other transport options when staff and students attend the Woden CIT campus including:
 - a. Government owned parking options;
 - b. Close vicinity to the Woden bus interchange;

- c. Ride or walk facilities; and
 - d. Park and ride options.
2. CIT has a Restaurant that opens on Thursdays for lunch and dinner and on Fridays for breakfast and lunch. The CIT produce store also is open Thursdays and Fridays featuring a regularly changing selection of ready-made, pre-packed takeaway meals, desserts, breads and charcuterie – all created and packaged by CIT students. CIT also offers students access to kitchens within the Woden campus for their own food preparation.
- There are a number of cafés and catering providers in the Woden precinct that are in close vicinity to the Woden campus who are offering staff and student discounts. CIT will continue to monitor the feedback and needs of the staff and students.
3. The Woden building has been designed to draw people from around the plaza, serving as a central point of activity and engagement. With facilities such as the restaurant, produce shop and hair & beauty areas open to the public, it is intended to be a vibrant, community-focused space. CIT utilises a range of opportunities to show case fashion, visual art, photography and music in a variety of venues across Canberra and CIT is looking at opportunities to use the Woden precinct in a similar manner.
4. Please see response to QTON 208.

Hearing: 06 August 2025

In relation to: Advice to Minister on options to recover monies paid to Leanne Cover

Question received: 14 August 2025

Answer Due: 21 August 2025

In a letter to the CIT Board dated 19 June 2024, the then Minister said:

“In particular, I ask that the Board provide me with an update on all efforts and options to recover public money expended during the course of this matter.”

If yes, what was that advice and when was that advice provided to you?

If not, why not and what efforts have you taken to follow up with the CIT Board on the request contained in the letter of 19 June 2024?

The Board responded to the relevant Minister on 15 July 2024. This included provision of legal advice. The advice provided is confidential and subject to legal professional privilege.
