

## **Job Title: Residential Apprentice Electrician 2<sup>nd</sup> or 3<sup>rd</sup> year.**

### **About the Role**

We are seeking a motivated and reliable Apprentice to join our team. This role is ideal for someone starting their electrical career who is eager to learn, gain hands-on experience, and work alongside qualified electricians. You will be involved in a wide range of residential electrical tasks, from basic installations to maintenance and fault-finding, while learning industry best practices and safety standards.

### **Key Responsibilities**

- Assist licensed electricians with residential electrical installations, repairs, and maintenance.
- Learn how to install and service wiring, outlets, switches, lighting, and appliances.
- Support with fault-finding and troubleshooting electrical issues.
- Help ensure compliance with electrical codes, safety regulations, and company procedures.
- Maintain tools, equipment, and work areas in a clean and safe condition.
- Attend training and coursework as required for apprenticeship progression.
- Provide excellent customer service and represent the company professionally on-site.

### **Skills & Attributes**

- Genuine interest in pursuing a career in the electrical trade.
- Willingness to learn and follow instructions.
- Strong attention to detail and commitment to safety.
- Good communication skills and a positive, team-focused attitude.
- Reliability and punctuality are essential.

### **Requirements**

- Enrolled (or willing to enrol) in a Certificate III in Electrotechnology Electrician.
- Valid driver's licence
- White Card (Construction Induction Card).
- Ability to work flexible hours when required.

### **What We Offer**

- Ongoing training, mentoring, and support from experienced electricians.
- Opportunity to gain hands-on experience across a variety of residential jobs.
- Career progression and development opportunities within the company.
- Friendly, supportive team environment.
