

A/V Technical Supervisor / Projectionist

Join the Magic of Sunset Cinema

Sunset Cinema is back for the 2025/26 summer season, firing up the Big Screen in six beautiful locations across Sydney, Canberra, Wollongong and Melbourne.

About Us

At Sunset Cinema, we believe movies are better under the stars. For over a decade, we've been bringing people together for unforgettable outdoor cinema experiences, combining blockbuster hits, cult classics and family favourites with balmy nights, great food, and a laid-back atmosphere. More than just a film screening, we're a community gathering – and our team is the heartbeat of that experience.

About the Role

We're on the lookout for **A/V Technical Supervisors / Projectionists** to help us deliver seamless, magical nights for our audiences. You'll be responsible for the technical setup and smooth running of each screening, ensuring the movie (and the magic) never skips a beat.

This role is perfect for an A/V professional who loves variety – from managing audio-visual gear to inflating our giant screen – and doesn't mind rolling up their sleeves as part of a close-knit events team. If you like the idea of blending cinema projection with outdoor event production, this could be your ultimate summer gig.

What You'll Be Doing

- Coordinate and manage A/V setup each screening night, including our inflatable screen
- Ingest film content and ensure playback is ready each evening
- Monitor and operate the digital projector throughout the movie
- Ensure smooth, high-quality projection and audio throughout each show
- Work alongside the Venue Manager to oversee setup and pack-down
- Support the Event Manager with general operations and team coordination
- Be a visible, positive presence onsite – helping deliver the signature Sunset Cinema experience

What We're Looking For

- Strong working knowledge of A/V equipment and event production
At least 2 years' experience in events (outdoor events a bonus)
- Experience with digital cinema equipment a plus (training provided)
- Comfortable with some heavy lifting and hands-on setup tasks
- Reliable, with availability for all screening nights and key training/bump-in dates
- Ability to travel to and from the venue independently, even after late finishes

The Details

- **Contract:** Casual, seasonal role for the summer cinema season
- **Pay Rate:** \$38 - \$42 p/h (negotiable, based on experience)
- **Hours:** Shifts generally start from 4:00–4:30PM and run until after pack-down once movie finished (around 11:30pm)

If you're ready to bring movies to life in a truly special setting, we'd love to hear from you.
