**Are you studying your Certificate IV or Diploma in Beauty Therapy and have already completed your Waxing Services units?**

We're offering you the chance to gain real salon experience, earn an income, and build your career from the ground up — all while you study!

### **What you'll enjoy:**

- A supportive, warm environment that values growth and learning
- The opportunity to put your skills into practice with real clients
- A chance to build confidence and develop long-term career pathways
- Being part of a team that champions education and passion

**This is more than just a job — it's the beginning of a long and passionate career in the beauty industry.**
