

# Country Children's PHYSIOTHERAPY

## Physiotherapy Assistant – Paediatrics

- Join the team at Country Children's Physiotherapy
- Casual or Permanent Part-Time, negotiable for the right person
- Gain valuable experience in working with Paediatric Patients

Country Children's Physiotherapy provides experienced and evidence-based Physiotherapy services to Children within Canberra and the Surrounding Regions. We strive to enable Children to develop their full potential and recognise that this is best achieved when children are relaxed and having fun.

We are currently looking for someone with an interest in Paediatrics to join our team. In this position the Physiotherapy Assistant will work under supervision of the Physiotherapist, to deliver high quality care to children and their families. We offer ongoing training, mentoring and clinical support in a supportive and nurturing professional environment.

### Your Duties:

- Under the specific instruction of the Physiotherapist, supervise the practice of established exercise programs
- Meet treatment goals as prepared by the Physiotherapist.
- Work with and assist the Physiotherapist, where required.
- Ensure patients and their families are informed of planned treatments.
- Ensure ongoing communication with the Physiotherapist regarding program outcomes and areas of concern.
- Record clinical notes for each session within the practice management software.

### Eligibility/Other Requirements:

- Certificate IV in Allied Health Assistance (Physiotherapy)
- Current First Aid certificate including CPR
- Be registered or willing to register under the Working with Vulnerable People (Background Checking) Act 2011
- Be registered or willing to register under the NSW Working with Children Check
- Current driver's licence
