

Graduate Interior Designer / Interior Design Assistant

Company: The Lobby Interiors

Location: ACT and Surrounds

Employment Type: Full-time or Part-time

About the Role

The Lobby Interiors is seeking motivated and creative graduates to join our growing design team. This is an exciting opportunity for emerging designers who are passionate about residential interiors and want to develop their skills in a supportive and collaborative environment.

Working closely with our Head Designer, you will contribute to a wide range of projects while having the creative freedom to bring your own design ideas and style to each space.

Key Responsibilities

Assist in the design and documentation of residential interior projects

Create 3D models and visualisations using SketchUp, Layout and Enscape

Design and develop concepts for kitchens, bathrooms, laundries and full home interiors

Prepare presentation drawings and client-ready design documents

Collaborate with the Head Designer and project team to refine design concepts

Assist with material, fixture and finish selections

Skills & Requirements

Recently graduated or final-year student in Interior Design or a related field

Proficiency in SketchUp, Layout and Enscape

Strong attention to detail and visual presentation skills

Passion for residential interior design and space planning

Ability to work both independently and collaboratively

Strong communication and organisational skills

What We Offer

Opportunity to work on diverse residential design projects

Mentorship and guidance from an experienced Head Designer

A creative environment where you can develop and express your own design style

Flexible full-time or part-time opportunities

If you are passionate about interior design and eager to grow within a dynamic and supportive studio, we would love to hear from you.

Apply by sending your CV and portfolio to: hello@thelobbyinteriors.com
