

Brighte Pathways: Women in Sustainable Energy Scholarship Application Form

The **Brighte Pathways: Women in Sustainable Energy Scholarship** provides an opportunity for the personal and professional development of female trade professionals to embark on or further their experience and career development in the renewable energy disciplines.

Three scholarships are available for women who wish to obtain a qualification in any of the following courses in 2026.

- Certificate III in Automotive Electric Vehicle Technology AUR32721
- Certificate III in Electro-technology Electrician UEE30820
- Certificate III in Air Conditioning and Refrigeration UEE32220
- Certificate III in Electronics and Communications UEE30920

It is available to female students, studying full or part-time, enrolling or intending to enrol in an eligible CIT qualification.

Scholarships are awarded to women students who demonstrate a commitment to study and to the environment. The value of the scholarship is \$2,250 per scholarship to directly contribute to CIT student fees across the period of study or to purchase recommended equipment for study in Trade courses. In addition to the scholarship, Brighte will pay for the Solar Accreditation Australia costs for the eligible scholarship recipients.

About Brighte

Brighte is on a mission to make sustainability affordable and accessible for everyone. Brighte is driving the inclusive energy transition by empowering government and over 2,400 vendors to embed change in Australian households and to administer schemes and programs which fast-track positive change. Brighte believes sustainability is a journey, not an end destination and its approach is to meet partners where they are at with flexible and adaptive solutions that deliver transformative change. Delivering on a commitment to bring forward the benefits of clean energy, Brighte has installed over 1,000 MW of clean energy so far, assisting over 150,000 households and processing over \$2 billion in finance applications.

Enquiries: Email FutureEnergy@cit.edu.au

Submission: Email your completed form to CIT Industry and Innovation at FutureEnergy@cit.edu.au

Please complete all parts of the application form and include all supporting documentation. Incomplete applications will not proceed to the selection process.

Commitment to study

250-WORD STATEMENT or A TWO MINUTE SHORT VIDEO

Please provide a 250-word statement or up to a 2-minute video describing your commitment to study in your chosen career path and how this scholarship would assist you. (If preferred, you can type your statement and attach it to the application).

In your response, please address the following: *Have you identified your learning goals or provided a clear idea of what you want to learn and why? How do you intend to apply the new skills that you will learn to benefit your work.*

Commitment to the sustainable energy industry

250-WORD STATEMENT or A TWO MINUTE SHORT VIDEO

Please complete up to a 250-word statement or up to a 2-minute video describing your commitment to sustainability, reducing environmental impact and improving energy efficiency. (If preferred, you can type your statement and attach it to the application).

In your response, please address the following: *What is the importance of sustainable energy to you, your household and the Australian society and what excites you about the renewable energy industry or career?*

Terms and Conditions for Brighte Pathways: Women in Sustainable Energy Scholarship Applicants

The Brighte Pathways: Women in Sustainable Energy Scholarship provides Scholarships to Canberra Institute of Technology (CIT) students.

1. The Scholarship structure:

- The value is \$2,250 per scholarship to directly contribute to CIT student fees across the period nominated above. The funding may also be used to purchase recommended tools or equipment to facilitate the student's training.
- It is available to full and part time female students enrolling in one of the eligible CIT qualifications in 2026.
- The length of the scholarship is six semesters up until the end of Semester 2, 2028, or upon completion of the qualification whichever comes first.
- Scholarships are awarded to worthy applicants who, at the absolute discretion of Brighte, have fulfilled the selection criteria.

2. To be eligible for a Scholarship, applicants must:

- be Australian citizens or have permanent Australian resident status.
- enrolled or intending to enrol in one of the eligible CIT qualifications starting in 2026.
- be ACT residents.
- committed to complete the nominated qualification at CIT by the end of Semester 2, 2028.
- agree to participate in outreach activities as an ambassador of the CIT renewable and future energy program for the duration of the scholarship.
- not hold any other scholarship valued more than \$500 in total at the time of application.
- provide evidence of:
 - i. a commitment to study; and
 - ii. commitment to the renewable energy and/or the sustainability industries.

3. Administration of Scholarships:

- Shortlisting of eligible Scholarship Recipients will be conducted by a selection Panel.
- The Panel will assess shortlisted applicants and then forward recommendations to Brighte, who will approve Recipients to receive scholarships. Brighte's decision is final.
- CIT will notify all applicants, in writing, of the outcome of their application.
- The scholarship amount will be paid to the recipient in two equal instalments, with the first instalment payable at the commencement and the final instalment payable one semester before the successful completion of the course.
- All information supplied to Panel Members, Student Services and Administration Officers and Brighte is treated as confidential.

Declaration

- I have attached all evidence relating to my studies.
- I have read and agree to the terms, conditions, and processes of this scholarship.

INFORMATION

There is the opportunity for scholarship recipients to be interviewed by **Canberra Institute of Technology (CIT) and/or Brighte** to be featured in a good news story about the scholarship.

This is optional. Please complete and sign this form if this is something you agree to.

CONSENT FORM

I hereby consent to the collection and use of my personal images by photography. **CIT** may also request the successful applicants to be available to discuss their participation in the selected qualification and information gathered may be used by CIT to advertise future scholarships.

I acknowledge these may be used for marketing purposes by both **CIT and Brighte**, and may be used for a general press release to relevant publications.

I also acknowledge these may be used on the **CIT** website and in their communication collateral (for example newsletters and publications as well as distributed to members for the purposes of the scholarship).

I allow / don't allow (**cross out one**) my name, course of study, study location to appear with my photo and in accompanying text for **CIT** purposes.

I also allow / don't allow (**cross out one**) my name, course of study, study location to appear with my photo and in accompanying text for **Brighte** purposes.

I also allow / don't allow (**cross out one**) my name, course of study, study location to appear with my photo and in accompanying text for general press release purposes.

I understand that no other personal information will be used in any publications unless express consent is given.

I (name of person giving consent and parent/guardian if under 18 years of age) give CIT permission to the use of photographs or video footage as described above.

I further understand that this consent may be withdrawn by me at any time, upon written notice.

Signature of person giving consent

Signature of parent/guardian < 18
