COURSE GUIDE

WELCOME YUMA

**Dhawura Nguna Dhawura Ngunnawal Ngunnawalwari
Dhawurawari Nginggada Dindi Yindumaralidjinyin
Dhawura Ngunnawal Yindumaralidjinyin**

**This is Ngunnawal Country. We always respect
their Elders, male and female. We always respect
Ngunnawal Country.**

The Canberra Institute of Technology (CIT) acknowledges the cultural host Nation of the ACT, the Ngunnawal People, as Traditional and continuing Custodians of the ACT and Region and recognises other First Nations People or families with connection to the lands and waters of the ACT and region.

We recognise the special relationship and connection to Country they have with this area since time immemorial. CIT acknowledges the continuing cultures of First Nations Peoples and the significant contribution they make to this city and region.

CIT is committed to listening and learning from the cultures, histories, knowledges, and values of First Nations Peoples. This commitment aims to improve the experience and outcomes of our education and training services in a way that is culturally safe and ensures equitable outcomes for all First Nations Peoples, their families, and communities.

CIT acknowledges all First Nations Peoples who come to this region to study, work, and live and the rich contribution they make to CIT and the region.

WHY CIT

Join the largest vocational education and training (VET) provider in the ACT and grow your skills today to shape the future career you'll love. At CIT, you'll discover hands-on training and real-world experiences, not just theory, to get industry skills that lead to employment.

SHAPING FUTURES FOR OVER 98 YEARS

Since 1928, we have enriched the Canberra community to shape its workforce. As the only public provider of VET in the nation's capital city, we have a strong legacy. Every day, Canberrans experience the skills of CIT graduates, whether it's the barista making our morning coffee, the cyber security professionals protecting our data, the technicians servicing our electric vehicles, the nurses providing compassionate care to our loved ones, or the horticulturists maintaining the beautiful parks and gardens around Canberra.

BECOME JOB-READY AND SECURE EMPLOYMENT

CIT graduates are renowned by industry for being job-ready. Our hands-on training methods, industry partnerships and placements ensure our graduates possess the skills and confidence they need to enter the workforce straight away. In 2025, 89 per cent of our graduates were employed or in further study, nearly 4 per cent above the national average.

“

I found CIT to be very welcoming and supportive. The teachers and students made it easy to settle in.

FERNANDO

CIT Information Technology student

”

RECEIVE NATIONALLY RECOGNISED QUALIFICATIONS

We offer nationally recognised qualifications, allowing you to take your qualifications anywhere across Australia when you complete your course.

LEARN FROM AN AWARD-WINNING INSTITUTE AND TEACHERS

We take pride in being the ACT's Large Registered Training Organisation (RTO) of the Year for more than ten years. Our highly skilled teachers possess current industry knowledge, experience, and connections. Many of our educators have received industry awards and accolades.

ACCESS WORLD-CLASS FACILITIES ACROSS FIVE CAMPUSES

Our state-of-the-art facilities provide training in real-world environments, preparing you for a seamless transition into the workforce.

TRAIN WITH CANBERRA'S BEST

We are home to the 2025 Australian Aboriginal and Torres Strait Islander Student of the Year and the 2025 ACT VET Training Teacher of the Year. These achievements reflect the genuine quality of learning experiences and teaching expertise our students and staff bring to VET education in the ACT every day.

JOIN A DIVERSE AND INCLUSIVE COMMUNITY

With over 17,000 course enrolments in 2025, including international students from 51 countries, our vibrant, welcoming, and inclusive campus culture will enable you to develop friendships with students from Australia and around the world.

STUDENT EXPERIENCE THAT SUPPORTS SUCCESS

With a strong focus on personalised support and connection, we'll help you to thrive academically, socially and professionally.

WHY CANBERRA?

People from all over the world are attracted to live, study and work in Canberra and it's not hard to understand why. Canberra is Australia's innovation capital and one of the world's most liveable cities, with the fastest economic growth in the country.

STUDY IN THE WORLD'S BEST CITY FOR QUALITY OF LIFE

Live in the best city in the world for quality of life¹

the third most relaxing city in the world and recognised globally as one of the world's most sustainable cities.²

Train in the most educated city

in Australia, with the country's most highly educated workforce.³

Be part of a knowledge-based economy

in the eighth smartest city in the world.⁴

Enjoy 111 average days of sunshine

through hot summers and cold winters.

Feel welcome in an international city

with over 100 embassies and consulates.

Get ahead

in a city with the highest median income in Australia.⁵

Benefit from a lower cost of living

than many other major Australian cities.

Discover how easy it is to get around

with less congestion than many other cities and a reliable public transport network.

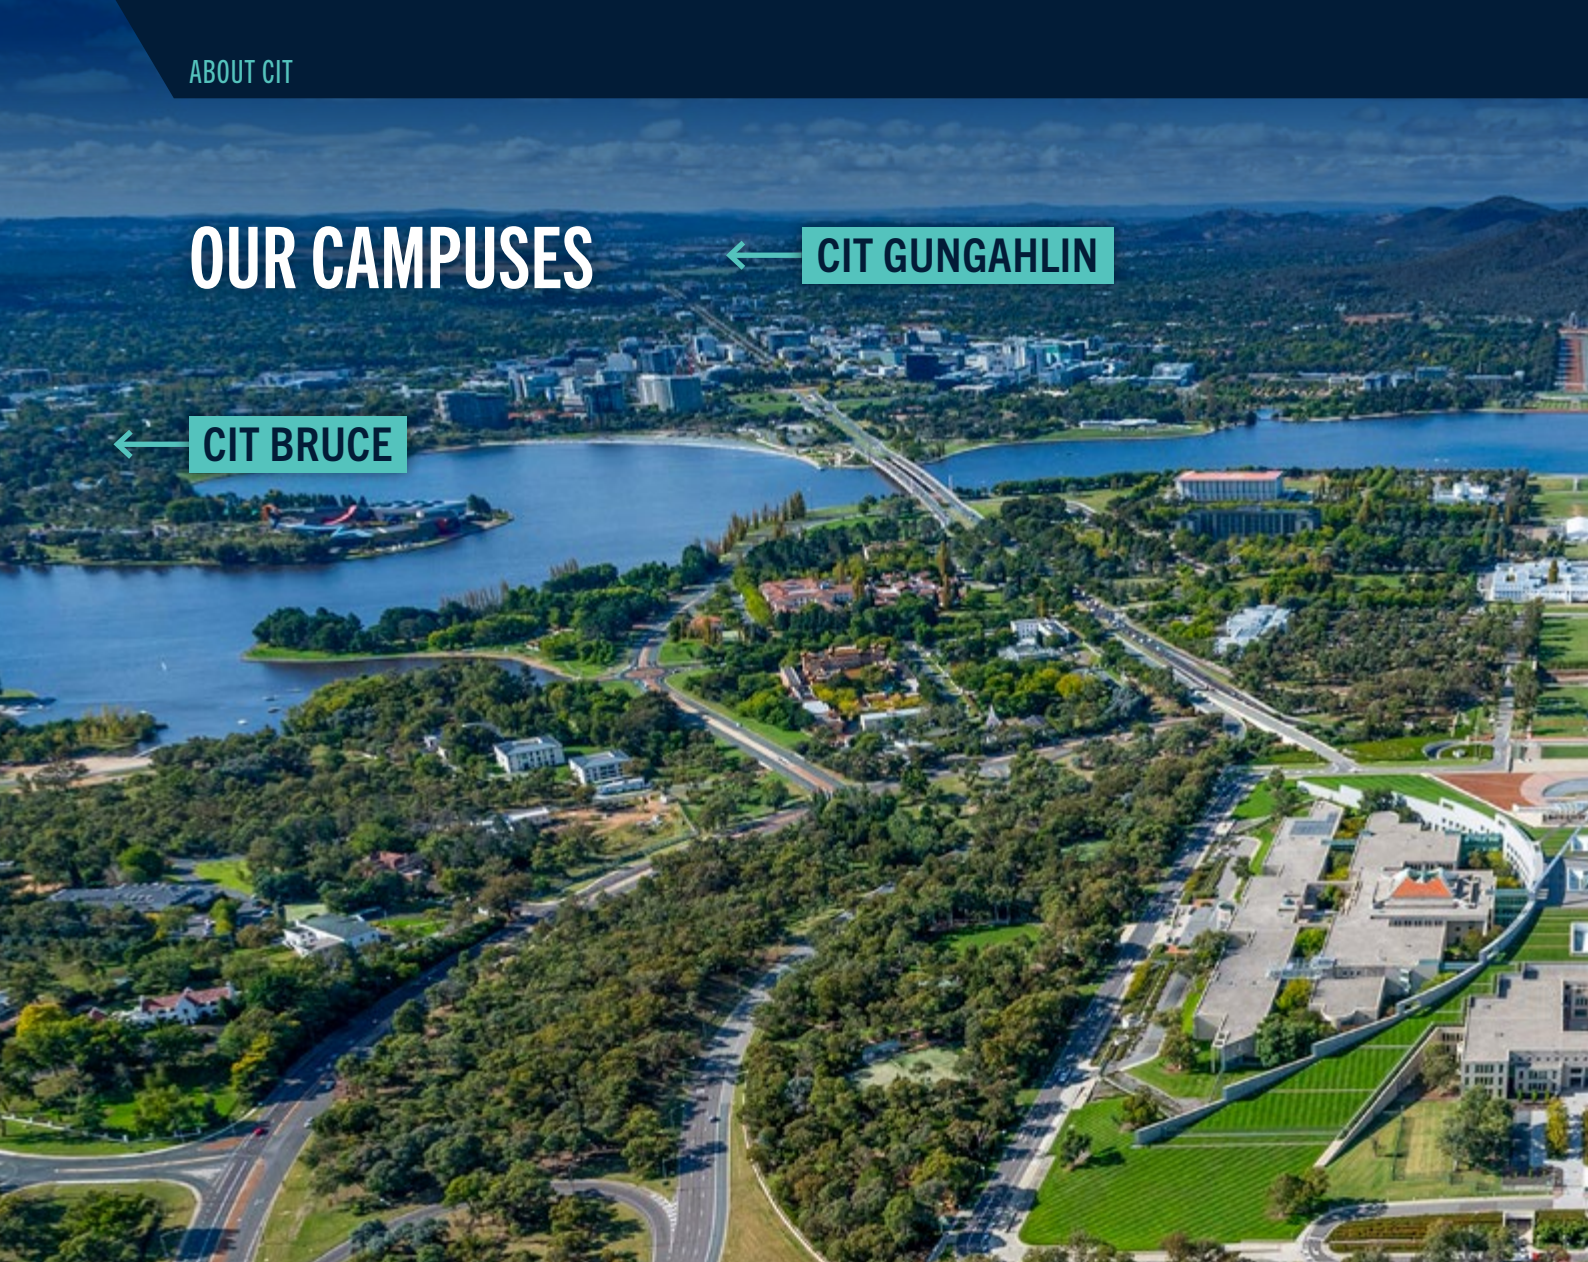

Access study pathways

to renowned Australian universities, located right here in Canberra.

OUR CAMPUSES

← CIT BRUCE

← CIT GUNGAHLIN

We have five campuses across Canberra, each situated in beautiful leafy surroundings and conveniently located on major public transport routes. Our campuses are designed to foster a supportive learning environment, where students, teachers and industry work collaboratively alongside each other.

CIT BRUCE

Set amidst peaceful native bushland in the northern suburbs of Canberra, near the University of Canberra and the nation's premier sporting centre, the Australian Institute of Sport (AIS), is CIT's award winning Sustainability Hub. Major shopping centres, public transport hubs, entertainment venues and cafes are just a stone's throw away.

→ 35 Vowels Crescent,
Bruce

CIT GUNGAHLIN

Centrally situated in Canberra's rapidly expanding northern suburbs, this CIT campus is co-located with Gungahlin College and the Gungahlin Public Library. With the local shopping precinct and public transport hubs nearby, students have easy access to a range of amenities and services. This campus offers flexible learning spaces and a range of student support services.

→ 25 Gozzard Street,
Gungahlin

CIT TUGGERANONG

Conveniently situated in the heart of the Tuggeranong Town Centre, close to local schools, shopping and entertainment, sporting venues and public transport facilities. CIT Tuggeranong offers students access to contemporary computer laboratories, library facilities, a mock court for practical learning experiences, flexible learning spaces and a variety of support services.

→ **205 Anketell Street,
Tuggeranong**

CIT WODEN

The recently opened Woden campus offers a modern and dynamic learning environment, designed to support our students education. Located within the heart of the Woden Town Centre it features a dedicated 24-hour study space, state-of-the-art IT, cyber training and digital learning spaces, collaborative study spaces, support, library and printing services, a restaurant and bar, maker spaces, incubator hubs and more. The campus is in proximity to local shopping, the new light rail ready transport interchange and revitalised green public spaces.

→ **36 Bradley Street,
Phillip**

CIT FYSHWICK

In the industrial hub of Canberra, offering easy access to the industries that play a vital role in our on-campus training. Here you will find state-of-the-art trade training facilities to support studies in electric vehicle (EV) technology, electrotechnology, renewable energy, battery and solar, plumbing, automotive and metals.

→ **81 Mildura Street,
Fyshwick**

HANDS-ON TRAINING FACILITIES AND INDUSTRY PARTNERSHIPS

Our training facilities provide hands-on experience using the latest technology and industry-specific approaches to prepare you for the workplace.

Our students have access to world-class facilities such as commercial kitchens, restaurant, childcare, a hair and beauty salon, a fitness centre, simulated hospital wards, a cyber centre, trade workshops and more.

We also partner with industry to deliver high-quality, accessible and future-focused training.

Our industry partnerships will expose you to the latest industry techniques and provide practical experience during your studies. The professional networks you build with industry during your training may also present future employment opportunities.

CIT FYSHWICK

- Air conditioning and refrigeration training facility
- Automotive collision repair workshops
- Electric vehicle (EV) lab
- Electrical training facility
- Electronics training facility
- Heavy and light vehicles workshop
- Makerspaces and light manufacturing hubs
- Metal fabrication training facility
- Plumbing workshop
- Renewable Energy training facility
- Trades training facilities

CIT WODEN

- Restaurant and produce store
- Culinary and bakery kitchens
- Cyber training security operations centre and model city cyber range
- Fashion workshop
- Hair and beauty salons
- ICT networking and hardware laboratories
- Industry incubator spaces
- Interior and graphic design studios
- Makerspaces and light manufacturing hubs
- Music studio
- Photography studios
- Screen and media TV studio and control rooms
- Visual art and mixed media studios

CIT BRUCE

- Carpentry and cabinet making workshops
- Dog day care centre
- Early childhood education centre
- Fitness centre and gym
- Forensic lab
- Greenhouses and a plant nursery
- High risk training facilities
- Laboratories
- Plastering, glass, painting and tiling workshops
- Simulated aged care and allied health facilities
- Simulated dental clinic
- Simulated hospital wards
- Simulated veterinary clinic
- Trades training facilities

“

Studying at CIT gave me the job ready skills and confidence to work in a hospital environment. The simulation wards are the closest experience you can get to a real hospital.

CAITILIN
CIT Nursing student

”

FROM FAMILY TRADITION TO WORLDSKILLS SUCCESS

Growing up in his family's patisserie, William developed a passion for baking at a young age. Surrounded by the craft and inspired by his parents, he began building his skills early – eventually choosing CIT to refine his techniques and turn his passion into a career. With guidance from experienced chefs and hands-on training, William honed his techniques and built the precision needed to succeed in the industry. Following in the footsteps of his father and brother, he stepped onto the national stage at WorldSkills Australia,

continuing a proud family legacy of excellence in patisserie. His dedication has taken him from the classroom to the national stage and onto the world stage, now an emerging talent in the industry. Selected to represent Australia as part of the Skillaroos team, William will compete at the 48th WorldSkills International Competition in Shanghai in September 2026. Joining the world's best young tradespeople in what's often referred to as the 'Olympics of Skills.'

“

Learning from people in the industry who are passionate about what they do pushes you to be better every day... It's helped me take my skills to the next level.

WILLIAM
CIT Patisserie student

”

HOW TO APPLY

1 CHOOSE YOUR COURSE

Explore our range of qualifications, from short courses to advanced diplomas, and apprenticeships and traineeships.

2 PREPARE TO STUDY

Before you start at CIT, check you have everything you need to complete your enrolment, including a Unique Student Identifier (USI). Our website provides an overview of all the information you may require before you apply for a course at CIT.

3 APPLY FOR YOUR COURSE

You can apply online in four easy steps:

1. Go to the course page for the course you want to apply for, select **APPLY NOW** and choose your application type.
2. Login to CIT Self Service. If you're a first-time student, create a Login ID and PIN.
3. Check and confirm the details and follow the prompts to complete your application.
4. Use the application checklist to review your application.

When you're ready, submit your application.

If you are on an eligible temporary visa, or under 17 years of age, you will need to contact CIT Student Services to be admitted to the course you are interested in. To apply for an apprenticeship or traineeship, see page 20. International students will need to contact CIT International directly.

4 ENROL INTO YOUR SUBJECTS

Some CIT courses automatically accept students once an application has been completed. If this is the case for your course, you then need to enrol in your selected subjects. To enrol you will need the unique Class Reference Number (CRN). If you do not have the CRN you may need to attend an enrolment session or contact Student Services.

cit.edu.au/apply

PATHWAYS

PATHWAYS TO CIT

We offer pathways into CIT through:

- ACT Senior Secondary Certificate (post-school option)
- Senior Secondary E Courses
- Foundation skills courses
- English language courses

PATHWAYS TO UNIVERSITY

Canberra is Australia's education capital, home to highly-ranked universities and educational institutions.

We have credit transfer arrangements with numerous universities, enabling you to receive one to two years of credit towards certain degrees.

Our nationally recognised qualifications, accredited by the Australian Skills Quality Authority (ASQA), mean students can apply for Recognition of Prior Learning (RPL) to most universities within Australia and receive credit towards a degree, even where formal credit transfer arrangements are not in place.

“
Studying at CIT has helped me improve my English and build confidence. It has given me the skills to communicate, understand Australian culture and start creating a better future for my family.

PEMA
CIT English language student

A PATHWAY FROM CIT TO UNIVERSITY CAN HELP TO...

MEET ENTRY REQUIREMENTS

No ATAR? No problem. While most CIT courses have minimum requirements for previous education, age and/or experience, you don't need an ATAR to study at CIT.

SAVE TIME

Some CIT qualifications can be used as credit towards a university degree, potentially reducing the total time needed to complete your degree by as much as one to two years.

REDUCE COSTS

Our tuition fees are generally lower than university tuition fees for comparable subjects, allowing you to reduce the total cost of your studies.

EARN WHILE YOU LEARN

The foundational industry skills and experience you gain at CIT can provide you with the opportunity to work in the industry while studying at university so you can earn while you learn.

TRANSITION SMOOTHLY

By using your CIT qualification as a pathway to a degree, you can be better prepared for university studies with existing knowledge and experience in the field.

GAIN REAL-WORLD INSIGHT

Our courses are generally shorter than a degree. By starting your studies at CIT, you can test out a subject area to see if you like it before you commit the time and cost to a full degree.

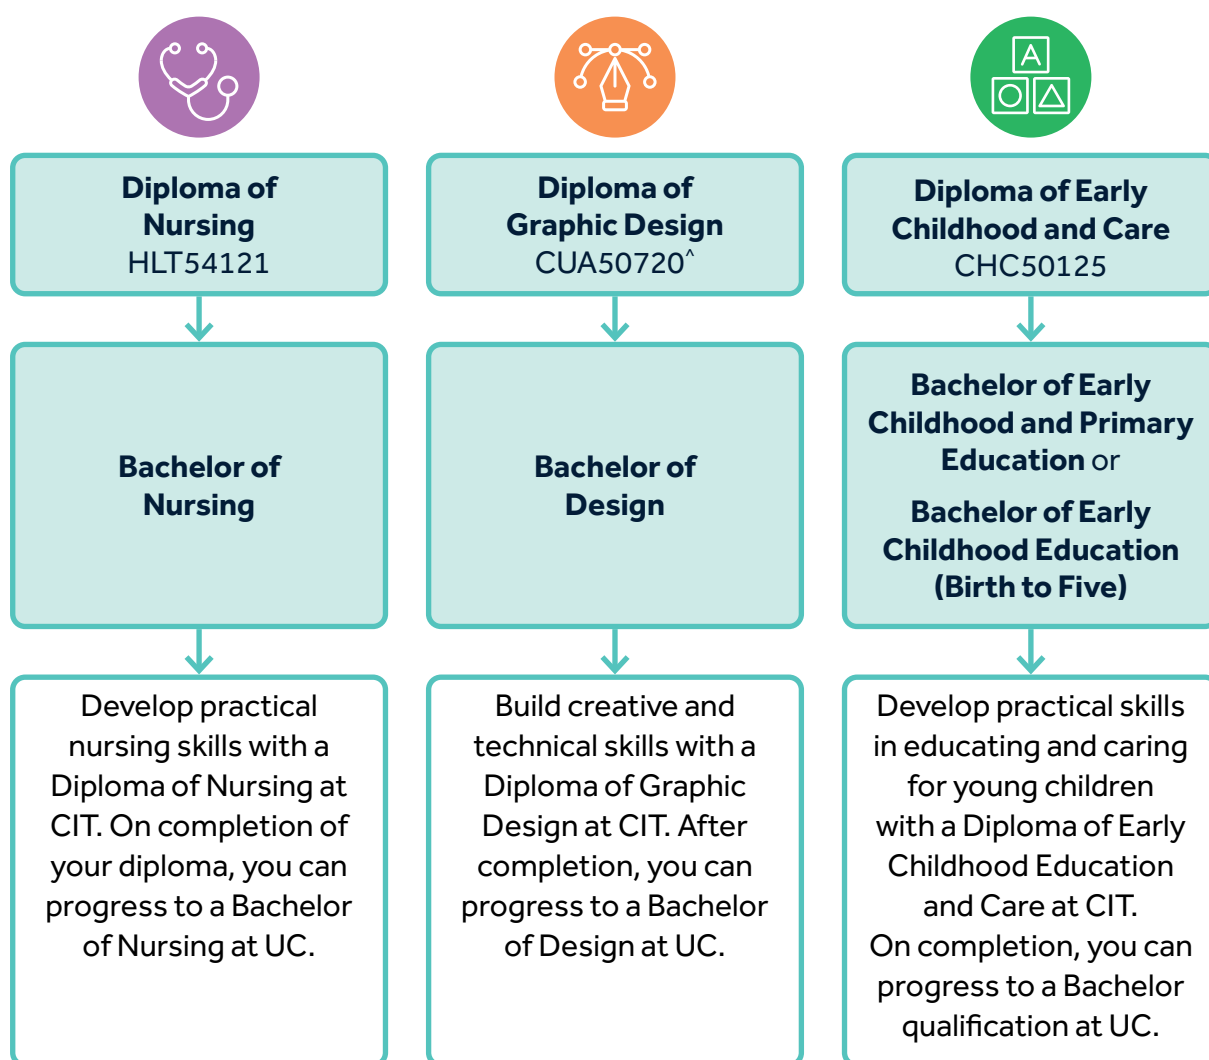

CIT TO UC GUARANTEED PATHWAYS

Build on your CIT qualification and take the next step in your study journey. CIT and the University of Canberra (UC) share a commitment to helping you build real careers through practical, hands-on learning. Through the CIT to UC Guaranteed Pathways program, eligible diploma or advanced diploma graduates will receive guaranteed entry and credit towards a UC bachelor's degree.

These pathways make it easier to transition from vocational education to university study by building on the skills and knowledge you've gained at CIT, saving you time, reducing costs and helping you continue your studies with confidence.

Key benefits:

- Transition smoothly to university with guaranteed entry.
- Save on time and costs with up to one year of credit toward your UC degree.
- Flexible study options for working professionals.

[^]Course is in transition. You may be transferred to a replacement course in 2027.

**Diploma of Leadership
and Management**
BSB50420

**Bachelor of Business or
Bachelor of Government**

Gain leadership and management skills with a Diploma of Leadership and management at CIT. After completion, you can progress to a Bachelor degree at UC.

Diploma of Project Management
BSB50820

**Bachelor of Business or
Bachelor of Government**

Develop project planning and delivery skills with a Diploma of Project management at CIT. On completion, you can progress to a Bachelor degree at UC.

Diploma of Accounting
FNS50222

**Bachelor of
Business**

Gain work-ready accounting skills with a Diploma at CIT. Upon completion, you can move into a Bachelor of Business, specialising in Accounting and Finance at UC.

**Diploma of
Information Technology**
ICT50220 and
**Certificate IV in
Information Technology**
ICT40120)

**Bachelor of Information Technology or
Bachelor of Business Informatics or
Bachelor of Engineering (Honours) or
Bachelor of Software Engineering**

Build in-demand digital and technical skills with a Certificate IV and a Diploma of Information Technology at CIT. After completion of both CIT qualifications, you can progress to the Bachelor of IT at UC

A PATHWAY TO LAW

Tessa Scanlan's pathway back to study began with a desire to grow her knowledge and open new career doors. Working in a legal-related role in the Australian Public Service while raising two young children, Tessa turned to CIT's Certificate IV in Legal Services as a flexible re-entry point into education to further her knowledge in the field. After completing her certificate, Tessa took the next step to university,

using her CIT qualification to gain credit towards a Bachelor of Laws at the University of Canberra. Studying part-time with evening classes and balancing work and family commitments, Tessa is now deepening her legal knowledge and building new skills for the future. She credits both CIT and UC for helping her rediscover her passion for learning and creating a pathway that works around her life.

“

CIT gave me the chance to get back into study and build my confidence, while UC gave me the flexibility to keep learning in a way that suits my life. It showed me that it's never too late to start something new.

TESSA

CIT graduate and UC Bachelor of Laws student

”

FROM APPRENTICE TO AWARD WINNING BUILDER

Inspired by his father and a lifelong passion for carpentry, Ben began his journey with a CIT apprenticeship, gaining the skills and experience needed to succeed in the construction industry. As he progressed through his Certificate III in Carpentry and into further study, Ben built a strong foundation for his future career. With hands-on experience

both in the classroom and on-site, Ben developed the confidence to take on bigger responsibilities, including stepping into a site manager role and working towards becoming a qualified builder. His dedication to his craft has seen him win the prestigious Housing Industry Association (HIA) Apprentice of the year award.

“
The skills I gained at CIT were things I could apply straight away on-site. That real-world experience gave me the confidence to take on bigger challenges and keep building towards my goals.

BEN
CIT Carpentry student

”

APPRENTICESHIPS AND TRAINEESHIPS

Earn while you learn and gain practical skills on the job as you train in your qualification through an apprenticeship or traineeship.

APPRENTICESHIPS, TRAINEESHIPS AND SCHOOL-BASED APPRENTICESHIPS

An apprentice or trainee is employed in the industry with their employer supporting them to apply and develop technical skills taught by CIT.

This combination of technical skills with real-world experience is extremely valuable for someone starting out in the workforce. Providing apprentices and trainees with a well-rounded personal development opportunity and industry-specific workforce training to meet their needs.

A school-based apprenticeship is a great way for eligible secondary school students to start an apprenticeship while they are still at school. This option allows you to continue your secondary studies, spend part of your week working with an employer and some of your school time studying at CIT.

STUDY OPTIONS AS AN APPRENTICE OR TRAINEE

- An apprenticeship generally covers traditional trades, like carpentry, automotive (including electric vehicles), plumbing, hairdressing and electrotechnology (including electrical, air-conditioning and refrigeration and electronics). An apprenticeship generally takes 3–4 years to complete.
- A traineeship focuses on other sectors, like health and community care, business, and information technology (including cyber security). A traineeship generally takes 1–2 years to complete.

STUDY OPTIONS AS A SCHOOL-BASED APPRENTICE OR TRAINEE

- Combine school with paid work and vocational training through a School-based Apprenticeship. If you are 15 years or over you can start an apprenticeship or traineeship in a variety of sectors such as culinary, early childhood education and metal fabrication, studying at CIT while it counts towards your ACT Senior Secondary Certificate. Most students continue on after finishing school. Talk to your school's Careers Advisor or VET Coordinator to get started.

You can identify the CIT courses available to study as an apprenticeship, traineeship or may be available as a school-based apprenticeship by the application type AA in this course guide.

HOW TO BECOME AN APPRENTICE OR TRAINEE

1 FIND YOUR EMPLOYER

Find an employer who's willing to take you on as an apprentice or trainee. If you're not sure where to start, contact an Apprentice Connect Australia Provider.

If you are a secondary school student seeking to start a school-based apprenticeship, start by speaking to your school career advisor.

2 SELECT YOUR QUALIFICATION, SELECT CIT AS YOUR RTO/TRAINING PROVIDER AND SIGN INTO YOUR TRAINING CONTRACT

Once an employer has agreed to take you on, you and your employer should contact CIT at info@cit.edu.au to discuss your training needs and choose a suitable qualification.

You should meet with an Apprenticeship Connect Australia Provider to sign your Australian Apprenticeship Training Contract within 28 days of starting employment.

3 ENROL IN YOUR QUALIFICATION AND START TRAINING AT CIT

You need an approved Australian Apprenticeship Training Contract before you can enrol at CIT. Once you have this, you can meet with CIT to develop your training plan and enrol in your qualification. Classes generally commence in February and July every year, but this will be confirmed at enrolment.

Find out more:
cit.edu.au/apprentice

Once an employer has agreed to take you on, you and your employer should contact CIT at info@cit.edu.au to discuss your training needs and choose a suitable qualification.

FREE TAFE

Free TAFE is a government initiative that covers your tuition fees, so you can gain a nationally recognised qualification in a high-demand field — at no cost to you.

CIT offers a range of Free TAFE courses across industries like health, technology, construction and more. Places are limited and open to eligible students, with priority given to those who may face barriers to study — such as First Nations peoples, unemployed, carers, people with a disability, and young people aged 17–24.

Note that while tuition is free, you may need to cover the cost of any textbooks or course materials. To see what's available and check your eligibility, visit the **Free TAFE** page on the CIT website.

“
**Fee-Free TAFE has enabled
me to pursue a career
transition without the
financial burden.”**

JONAH
Fee-Free TAFE student in Electronics

”

COURSE FEES

FEES

Each course listed on our website has an indicative cost based on electives, duration and financial assistance. Course fees can include tuition fees as well as resources and other materials costs. Tuition fees vary depending on the course duration and whether they are subsidised by the Australian, State or Territory government. Some courses have capped places and only a certain number of people can access the applicable government subsidy. Student fees often change because these subsidies change. This means course fees may vary year-to-year.

FINANCIAL ASSISTANCE

A range of financial support options are available to assist you in your studies, including:

- concessions and financial assistance
- fee-free qualifications and short courses¹
- interstate apprentice and trainee subsidised training
- payment plans and fee payment options
- scholarships
- trade support loans
- VET Student Loans are available for most diploma or above courses (a loan from the Federal Government that must be repaid).

You may also be eligible for tax deductions for course fees and associated study expenses.

Find out more:
cit.edu.au/fees

¹ Free TAFE is a jointly funded initiative of the Commonwealth and ACT governments. Eligibility criteria apply, approved students will need to pay for any learning resources such as textbooks or other equipment required for the course.

SKILLS RECOGNITION

Skills recognition acknowledges the skills you have learned from your work, life experiences or previous formal study.

RECOGNISING YOUR WORK AND LIFE EXPERIENCE

As you travel through life, you gain skills and knowledge that can be formally recognised against a qualification. You can gather experience if you:

- are currently working
- have worked in the past
- are raising a family
- are participating in social, recreational or educational activities
- are involved in a hobby or are volunteering in your community.

Find out more:
cit.edu.au/recognition

RECOGNISING YOUR PREVIOUS FORMAL STUDY

We recognise subjects or competencies you have successfully obtained through other accredited vocational educational institutions. For example, if you have completed First Aid, HLTAID011 at another Australian Registered Training Organisation, CIT will grant you a credit transfer for the same subject where this subject is part of one of our qualifications.

BENEFITS OF SKILLS RECOGNITION

Skills recognition means you don't have to study things you already know. It makes study more enticing, more enjoyable, more relevant and less time-consuming.

Fees may apply. If fees are charged, they are usually charged at the same rate as the subject fee.

SHORT COURSES

Real skills, real fast.

Whether you're looking to advance your career, explore a new hobby or gain practical skills for everyday life, CIT's short courses are your fast track to hands-on learning.

From coffee making and car care to welding, mental health first aid, cybersecurity and DIY home renovation skills, our hands-on courses offer targeted training designed for real-life application.

Our short courses are delivered by industry experts, so you can gain new skills quickly, ready to use at home, at work, or wherever your curiosity takes you. Please note our short courses are non-accredited short courses.

international.cit.edu.au

“

CIT gave me the confidence to keep growing creatively, while allowing me to build my skills in a practical way. The support and flexibility made it possible to balance study with everything else, while still developing my skills.

ROSALIE
CIT Alumna

”

COURSES

From apprenticeships, certificate-level training and short courses, to advanced diplomas and graduate certificates, we offer a range of study options to suit your lifestyle, experience and career stage.

ABORIGINAL AND/OR TORRES STRAIT ISLANDER EDUCATION AND CULTURE

Our new CIT Yurauna building, opened in 2026, offers a dedicated Aboriginal and Torres Strait Islander centre for educational excellence and fosters a sense of belonging by creating a culturally safe and welcoming space for First Nations students, staff and the wider community.

At CIT Yurauna, we're committed to supporting your educational journey every step of the way. We offer tailored courses, student support and cultural advice in a welcoming environment, empowering Aboriginal and/or Torres Strait Islander students to excel in community services or development. Our qualified and experienced teachers use culturally relevant techniques like yarning circles, fostering collaboration and skill enhancement. Additionally, we provide General Education to improve literacy, numeracy, digital (computing) and learning skills. Our interactive classrooms create a safe and inclusive atmosphere, bringing the outside environment inside to nurture your growth and success.

CONSTRUCTION, BUILDING AND TRADES

Build your passion for construction, building and trades with hands-on training to meet the growing demand for skilled tradespeople. Whether you're crafting homes or mastering essential services like automotive and plumbing, our courses provide a pathway to a successful career. Taught by experienced teachers from the local industry, you'll gain invaluable real-world insights. With access to industry-standard equipment such as plumbing facilities, custom-built electrical and electronics workshops and an Electric Vehicle (EV) Lab, you'll acquire the trade knowledge and skills you need to unlock job opportunities and build a successful future in the trades.
